Accuses Him of Annoying Her -She Collapses in Station.

Charged with annoying Miss Margaret Adams Raymond, of 221 Eighth av., Brooklyn, a well dressed man, who said he was Joseph J. Masterson, a salesman, of 221 West 135th st., was taken to the Greenwich st. police station last night by Patrolman Geiselberg, of Traffic A.

Masterson said he was a passenger in a Broadway car, and when near the Brooklyn Bridge the woman, who was also a passengers, took out a slip of paper and attempted to write with her hatpin. He offered her a pencil, but she refused. He said he alighted at Mail st. and was walking east when he heard a voice ask where the Woolworth Building was. He turned and saw the women and showed her the building. Masterson said she commented on the height of the building and asked him to wait until she returned. When she did she was accompanied by the patrolman who arrested him.

Some time after Masterson had been

Some time after Masterson had been placed in a cell Miss Raymond returned to the police station and inquired of Lieutenant Leigh the way to the men's night court. Then she collapsed and an ambulance took her to Hudson Street Hospital, suffering from hysteria. Some time after Masterson had been

den of Sing Sing prison, told the mem-

"My taking the office," he declared Later Thomas Murray, a saloonkeep-er, furnished \$500 bail and Masterson "My taking the office," he declared. "was not a sacrifice, but a wonderful privilege. I do not hope for complete success in the position, and if any one of you has ever been to Ossining and seen the prison you will realize that that is impossible. Everything material connected with the prison leads in every way to absolute failure. The plant is utterly mediæval.

"When I was a prisoner for one week in Auburn I thought my cell was pain-

mer convict named Anderson against
the state to recover money for his services while in jail. The case is a test
to determine whether the Rhode Island
law permitting the state to let out
prison labor on contract does not constitute slavery. Mr. Battle also had
his word of praise for Warden Osborne, who presided at the meeting.
At an election of officers Mr. Osborne was re-elected to the chairmanship of the committee, which he accepted on condition that he be persnip of the committee, which he ac-cepted on condition that he be per-mitted to withdraw at any time if he determined that his holding that office would be in embarrassing conflict with his official duties.

The meeting was held in Earl Hall, Columbia University, and was attended

on the main point involved—the validity of the indictment against him. That failing, the District Attorney's office will ask to have the case advanced on the calendar.

"They have made a mighty fuss over a very small matter," was Lamar's only comment.

District Attorney Marshall said after Lamar had been sentenced that the disposition of the case against Edward Lauterbach had not yet been decided upon.

SUIT OVER FIRM'S NAME

Drygoods House Accused of Trying to Deceive the Public.

Philip and John A. Le Boutillier, the surviving partners of Le Boutillier, the surviving partners of Le Boutillier Brothers, a drygoods firm established in 1840, applied to the Supreme Court yesterday for an injunction to restrain L. Salomon and Aaron M. Kasofsky from doing business under the name of Boutellier & Co., at 25 West 42d st. and 1911, with the intention of resuming as sociations and friends that she has now, her in West 23d st., suspended business in 1911, with the intention of resuming as sociations and friends that she has moman's deathhouse on the fill, opponing a selection of the resuming was held in Earl Hall. Columbia University, and was attended by two hundred members.

Governor Glynn sent to Warden Osbove that he had refused a further stay to Lee Dock and Engling, the had a further stay to Lee Dock and Engling the Chinese gummen, and that he must proceed with their execution of Mrs. Marion Kerner Kerr, of 36 East 30th st., for permission to spend \$7,000 s year for the support and the perison that came with the ousting of mere weeks ago, but owing to the shake-up in the prison that came with the ousting of mere weeks ago, but owing to the shake-up in the prison that came with the ousting of mere weeks ago, but owing to the shake-up in the prison that came with the ousting of mere weeks ago, but owing to the shake-up in the prison that the must proceed with their execution. Warden Osborne, the prison that the must proceed with their execution of her sixten-year-old daughter. Warden Osborne, the prison prison that th first time, and offered to co-operate with him in instituting reforms. Warden Osborn went through the workshops yesterday with Superintendent of Industries Egan. He has not yet met Mrs. Madeline Ferola, the condemned prisoner from The Bronx, who has the woman's deathhouse on the hill, opposite the prison office, all to herself. Mrs. Ferola, who was convicted of killing her sweetheart, frequently asks about the new warden and an opportunity to converse with him.

one, the executor, in his discretion, may give her \$50,000 from the principal. Her half of the estate now yields \$14,000 a year.

Mrs. Kerr explained to the court the various items for which she asked permission to spend \$1,000 of this money on her daughter. Some of these items are: School tuition, \$1,200; clothing. \$1,500; travelling expenses, \$1,000; physicians and dentist, \$276; pocket money, opera, theatre and other amusements and living bills, \$1,000; one-third of cost of maintaining home, \$1,700. There are also some incidentals, which brings the amount to the desired \$7,000 a year.

Will Lecture to Teachers.

Emile Villemain, of Paris, will lecture to morrow morning before members of the modern language section of the High School Teachers' Association, at their meeting in the Commerce High School, in West 65th st., on "Dramatics in the Ciassroom." Methods will be suggested for the enlivening of classroom work through dramatizations.

Mobilize as Negroes

Make Threats.

Disorder prevailed last night and this morning in New York's negro colony, in and around 135th st., with a possible riot lurking at every corner and ready to burst into reality at the least relaxing of vigilance. That, at any rate, was the view taken by the police, who spent an anxious night seeing to it that nothing happened and holding themselves ready for instant action.

Bearing in mind what occurred last Tuesday night, when the storming of Harlem Hospital and the injuring of Harlem Hospital and the injuring of the specific and indicted as well for receiving deposits after he knew his bank was insolvent. There is a forgery charge against Ginsberg, and holding the policy and an argument to the policy and argument to the policy and argument to the policy and an argument to the policy and argument to the policy argument to the policy and argument to t

Bearing in mind what occurred last Tuesday night, when the storming of Harlem Hospital and the injuring of several men followed an argument begun by one negro soldier, there was considerable apprehension among the police of the Lenox av. station when word was brought early last evening that fifteen soldiers had arrived from Fort Slocum and intended to devote the evening to an old-fashioned celebration.

Bosits after he knew his bank was inposite search as forgery charge squints Ginsberg.
Runs continued on the Public Bank, at Delancey and Ludlow sts., and the State Bank, at Grand and Orchard sts., yesterday. Lines of overanxious devoiters began to form in front of the two institutions as early as 2 octook in the morning. Questions asked of the nervous people by reporters failed to reveal the source of rumors that the nervous people by reporters failed to reveal the source of rumors that the banks were in any way unsafe. Nevertheless, ever since the closing of the Kass banks the susceptible East Side has been in a flurry over banks in general, and this is said by bankers to be the reason for the runs.

Before 9 a. m. there were about 500 persons in line at each bank, with police reserves keeping order. The line

persons in line at each dails, with po-lice reserves keeping order. The line in front of the State Bank extended to Norfolk st., to Broome st., and east to Suffolk st. The line in front of the Public Bank extended west on Delancey st. to Orchard and south to Broome st. At the Public Bank depositors were paid off at the rate of five every thirty minutes, and at the State Bank at the rate of ten in the same period. Speculators appeared offering to buy from the depositors their accounts at 90 per cent of their value, but the police soon drove the accounts. drove these men away. All day the banks kept on paying money out, and at closing hour, which was at the usual time, 3 o'clock, there were still about time, 3 o'clock, there were 2,000 persons in the vicinity of each
